

ELI'S LOSE NOT IN TWO OF HOMES ENTERED

Get Gold Watch at Third Place—
Burglars in Two of Homes Entered

Two burglars, both said to be
about 18, crawled considerable
distance in the east end of Rock Is-
land Wednesday night. They en-
tered three residences, but suc-
ceeded in getting loot at only one.
At the other two homes they were
frustrated.

At the Peter L. Anderson home,
4455 Ninth avenue, a large dog with
a strong streak of the bloodhound
strain in his blood did the chasing
business of the family, excepting
one dog, were in their sleeping
rooms upstairs. The son was away
and the rear door had been left un-
locked for him. Mrs. Anderson was
awakened by a commotion down-
stairs and believed that her son
had arrived. Arising to investigate
she saw the dog chasing two men
out of the kitchen and across the
yard. She got close enough to see
that both were young men. It was
about 11 o'clock.

At the J. B. Frederick home, 4511
Ninth avenue, members of the fam-
ily were awakened in their rooms
upstairs by prowlers in the rooms
below.
Investigating, they found two
men in the house. The men es-
caped through the kitchen door.
They had gained entrance through
a window in the dining room.
Burned matches were found about
the lower part of the house, but
the burglars had been interrupted
in their search before they had
time to take anything. This was
11:30 o'clock.

Get Gold Watch.
At the Daniel M. Jones home, 809
Forty-second street, the same two
men are believed to have been re-
sponsible for the theft of a ladies'
gold watch. The burglars were
reported to the police at 6 o'clock
this morning.

STOMACH TROUBLE FOR 15 YEARS

Gas affected heart. Death seem-
ed near. Relieved by first
dose of Milks Emulsion.

"I suffered constantly from a dread-
ful stomach trouble for fifteen years.
Everything I would eat just laid
on my stomach and soured. I would
bloat up and it seemed as though my
stomach would burn up. The bloating
affected my heart and at times I
was going to die. I tried most
everything I could hear of, be-
sides having a number of doctors, but
got only temporary relief, until I got
a few bottles of Milks Emulsion.
It has done me so much good from
the start, that I consider it a God-send.
I now have more relief since taking it
and have slept better than for years.
I cannot praise it enough for what it
has done for me."—Mrs. I. E. Jones,

MINORITY SAYS BILL IS UNJUST

Opposition to 2-Year Suspension of
Immigration in Proposed
Senate Measure.

Washington, Dec. 9.—Provisions
of the house immigration bill,
which comes up for debate today,
are opposed as unnecessary, injuri-
ous to the public welfare and con-
stituting a reversal of the "historic
policy of the country" in a minority
report of the immigration com-
mittee, signed by Representatives
Siegel of New York and Sabath of
Illinois.
The bill's proposal for a practi-
cal suspension of all immigration
for a period of two years, the re-
port declared, is unjustified both
as to present labor conditions in
this country and the number of im-
migrants arriving. Whereas prior
to 1914 the total immigration fre-
quently exceeded 1,000,000 per year,
it was pointed out, the total for
the first 11 months of this year was
only 840,569 with a total of 366,915
emigrants to balance against that
figure.

Cites Seven Reasons in Case.
The city attorney cites seven
reasons in his motion why the in-
junction should be dissolved. They
are:
1. The defendants have fully
and without evasion answered the
petition of the plaintiff.
2. The petition does not allege
facts sufficient to entitle the plain-
tiff to the temporary writ of in-
junction.
3. The facts stated in said peti-
tion do not authorize the court to
grant said writ of injunction.
4. The petition does not allege
facts sufficient to entitle the plain-
tiff to the relief demanded.
5. Said writ of injunction was
granted contrary to law, because
no notice was served on the de-
fendant city, a municipal corpora-
tion, apprising it of the time and
place of application for temporary
injunction.
6. That the ordinance as set
forth in the petition of the plaintiff
is a valid ordinance in all respects
and the judicial interference by
the court herein rendered it im-
possible for the defendant city to
compel said plaintiff to live up to
the provisions of its charter and
franchise.
7. That the court has no author-
ity of law to restrain the enforce-
ment of the criminal ordinances of
the city.

CLAIM BIANCA KILLED 2 BOYS

Marion, Ill., Dec. 9.—The trial
of Settino De Santis and Frank
Bianca, miners, charged with the
murder of Amiel Calcaterra, 14
years old, and Tony Hemphill, 17,
was well under way here today.
Members of the families of the
slain youths were expected to tes-
tify and in some quarters, the opin-
ion was held that the evidence of
Calcaterra's relatives would shed
definite light on the killing, which
led to the riots in West Frankfort,
last August, and was ascribed by
some to a "Black Hand" band.
Bianca was named as the slayer
of both boys in an alleged confes-
sion by De Santis, according to the
opening statement of State's Attor-
ney D. H. Duty yesterday.

SOCIALISTS IN DAVENPORT ARE PUSHING FIGHT

Hopes in Street Car Case Rest on
City Motion to Dissolve
Arrest Injunction.

Developments are being awaited
in Davenport in the war between
the city council and the Tri-City
Railway company. Wednesday City
Attorney U. A. Schuchfeld filed in
district court a motion to dissolve
the temporary injunction granted
the traction company by Judge A.
P. Barker on Dec. 2, which re-
stricted the city from arresting
company officials and trainmen.
The city attorney, in his motion
to vacate the injunction, ques-
tions the right of the court to issue
an injunction in the present case.
He holds that the enforcement of a
criminal ordinance of a city, as was
alleged by the company in its peti-
tion for an injunction, and also de-
clines the company's statement that
the Bridge line cars are operated
for the sole purpose of carrying
passengers from Davenport across
the Mississippi river, as alleged by
the company. The case has not
been set for hearing, the motion
being up before Judge Barker of
Clinton, who issued the temporary
writ.

AIR TRIP CHILLS BANKER'S FEET

Nebraska Financier Takes Trip on
Plane—Frightened By Tail
Spin, Quits Ship; Is Sued.

Omaha, Neb., Dec. 9.—C. T. Hoyt,
65, banker at Whitman, Neb., visited
Omaha and while waiting for his
train, saw Pilot Arthur E. Atkin-
son, "jazzing" around in the air.
The banker decided to make the
natives in his home town "sit up
and take notice" and hurried to the
landing field where he employed
the birdman to take him and a com-
panion home. The price for the
trip was to be \$500.
At Grand Island engine trouble
caused the pilot to make a tail spin.
The sudden drop caused the bank-
er's feet to chill. As the aviator
repaired his engine, his passengers
started home on a train.
The above allegations were made
in a suit for \$500 air taxi bill filed
in district court by Atkinson. It is
the first suit of its kind in the
state.

Personal Points

Mrs. Charles W. Williams, who
has been spending the past month
at the home of her parents, Mr.
and Mrs. Otto Wicker, 1001 Sixth
avenue, left today to meet her hus-
band and after a short stay there
will go to Memphis, Tenn., to spend

Mrs. Ben Gest left yesterday for

Mrs. W. H. Gest, who is now slow-
ly improving.

THOUGHT SELVES MARRIED; COURT PUNCTURES BLISS

(Special to The Argus.)
Muscatine, Iowa, Dec. 9.—About
the most surprised persons in the
world this morning were Mr. and
Mrs. Walter Reddick of this city,
when they learned that although a
marriage license had been pro-
cured and the ceremony performed,
they were not really married.
Last Friday Reddick visited
Scott county court house at Daven-
port and obtained a license to wed
Miss Frieda Hintermeister of this
city. The ceremony was perform-
ed here last Sunday, according to
the return made by the Scott county
clerk.
A marriage license issued in
Scott county is void in Muscatine,
and for that reason the marriage
is not legal. Until this morning
the newlyweds were blissfully un-
aware of the legal objections raised
by the Scott county officials.
Reddick and his bride of four
days are confronted with two
alternatives in their dilemma. They
may either take out a license in
Muscatine and have the ceremony
performed, or they may return
within the boundaries of Scott
county in compliance with the
terms of the license and be remar-
ried there.

Rock river and along the river to
Twenty-fourth street and back to
Rock Island. A bonfire will be
made in the woods and coffee will
be served. Each hiker is requested
to bring a tin cup and sandwiches.
